ABSTRACT

One hundred and fifty bibliographic entries, dealing with the subject of management information systems, are divided into sections for books and for periodicals. The latter section is further subdivided according to years of publication, although no attempt has been made to gather articles that appeared prior to 1969. (WM)

MANAGEMENT INFORMATION SYSTEMS

by

Barbara Witt
Ontario Ministry of Economics
and Intergovernmental Affairs
Toronto, Ontario, Canada

Here is a bibliography on management information systems, more commonly known in the literature as MIS. Only periodical articles written since June 1969 have been included.

A. BOOKS

American Data Processing Inc. Management Information Systems Index, Detroit, Michigan, 1962.

Association for Systems Management. Management Information Systems, Baltimore, Maryland: Penguin, 1971.

Blagden, John. Management Information Retrieval: A New Indexing Language, London: British Institute of Management, 1969.

Blumenthal, Sherman S. Management Information Systems, Englewood Cliffs, New Jersey: Prentice Hall, 1969.

Bower, James B., and others. Financial Information Systems: Theory and Practice, Allyn and Bacon, 1969.

Canada. Department of Industry. Trade and Commerce. Canadian Socio-Economic Information Management System (CANSIM) Summary Reference Index, Ottawa, July 1971, 1 v. (various paging).

Defense Documentation Center, Alexandria, Virginia. Management Information Systems:A D.D.C. Bibliography, May 1944 - October 1969, Springfield, Virginia: Clearinghouse, April 1970, 2 v. (AD 704960).

Dumas, Neil S. The Decision Maker's Guide to Applied Search, Evaluation, Information Processing and Analysis Techniques, Gainesville: University of Florida, Regional Rehabilitation Research Institute, February 1970, 191p. (PB 195442).

Emery, James C. Organizational Planning and Control System: Theory and Technology, London: Macmillan, 1969, 166p.

Enger, Norman L. Putting MIS To Work: Managing the Management Information System, American Management Association, 1969.

Gorry, G. Anthony and S. S. Michael Morton. A Framework for Management Information Systems, Cambridge, Massachusetts: Massachusetts Institute of Technology, 1971.

Gorry, G. Anthony and Michael S.S. Morton. Management Decision Systems: A Framework for Management Information Systems, Cambridge, Massachusetts: Massachusetts Institute of Technology, 1970.

Hartman, W. Management Information Systems Handbook: Analysis, Requirements, Determination, Design and Development, Implementation and Evaluation, by W. Hartman, H. Matthes and A. Proeme, New York: McGraw-Hill, 1968, 1 v. (various pagings).

Heany, Donald F. Development of Information Systems; What Management Needs to Know, New York: Ronald Press, 1968, 421p.

Hopeman, Richard. Systems Analysis and Operations Management, Columbus, Ohio: Merrill Publishing Co., 1969.

Johnson, Charles B. and William G. Katzenmeyer. Management Information System in Higher Education: The State of the Art, Durham, North Carolina: Duke University Press, 1969.

Kelly, Joseph F. Computerized Management Information Systems, New York: Macmillan, 1970.

Krauss, Leonard I. Computer-Based Management Information Systems, New York: American Management Association, 1971.

Littlefield, Cleatice L. and Frank Rachel. Office and Administrative Management: Systems Analysis, Data Processing and Office Services, Englewood Cliffs, New Jersey: Prentice-Hall, 1963.

McKeever, James M. and Benedict Kruse. Management Reporting Systems, New York: Wiley, 1971.

Martino, R. L. Information Management: The Dynamics of MIS, Management Development Institute, 1968.

Matthews, Don C. The Design of the Management Information System, Princeton: Auerbach, 1971,221p.

Morton, Michael S. Management Decision Systems: Computer-Based Support for Decision Making, Boston: Harvard Business School, 1971.

Murdick, Robert G. and Joel E. Ross. Information Systems for Modern Management, Englewood Cliffs, New Jersey: Prentice-Hall, 1971.

O'Brien, James J. Management Information Systems: Concepts, Techniques and Applications, New York: Van Nostrand Reinhold, 1970, 314p.

Pemberton, LeRoy A. and G. Dana Gibson. Administrative Systems Management, Woodsworth, 1968.

Rappaport, Alfred. Information for Decision Making: Quantitative and Behavioral Dimension, Englewood Cliffs, New Jersey: Prentice-Hall, 1970.

A Report on Legislation in the 50 States on Automated Data Processing, Management Information Systems, and Telecommunications, December 1969, 1 v. (various pagings).

Ross, Joel E. Management by Information System, Englewood Cliffs, New Jersey: Prentice-Hall, 1970.

Schoderbek, Peter P. and Charles G. Schoderbek. Management Systems, New York: Wiley, 1971.

Sellenberger, Harold H. Major Changes Caused by the Implementation of a Management Information System, New York: National Association of Accountants, June 1968, 115p. (Its Research Monograph, 4).

Toan, Arthur B. Using Information to Manage, Ronald Press, 1968.

Tricker, R. Ian. Management Information Systems: An Annotated Bibliography, London: Institute of Chartered Accountants, 1969.

Zannetos, Zenon S. and Murat R. Sertel. Computerized Management Information Systems and Organizational Structures, Cambridge: Massachusetts Institute of Technology, 1970.
